Hello Guild Members

Hope everyone is enjoying the summer. Where has this year gone? I love every season. Hot summer and cold winter is always a reason to stay in and sew. Hope you will have a chance to sew on a project during the upcoming hot weather.

Several members have volunteered to fill some of the offices for next year but there are still places where you can help. Consider volunteering.

I have surgery scheduled on August 4th and will miss a couple of meetings.

Everyone take care and happy sewing, Pat

Old Business: We are waiting for the rain to stop to get new tires for the trailer.

The June Quilt Camp was a wonderful success. We were almost up to our old participation numbers.

New Business: Reminder that October is the Pot Holder Exchange.

Fred Vines (405 273-2585) wants to give away a Quilting Wood Frame. We do not have a picture but he can be contacted at the provided phone number. This frame has nothing to do with longarm quilting. It is a sit and sew frame from the information provided.

Quilt Camp: Next Quilt Camp will be October 15-17. Vicki Stidham and Carolyn Castle have volunteered to host this camp. Please give them all the support you can, this is their first time.

Committee Reports:

Now, for the block of the month quilt! This one is made exclusively from half square triangles so EVERYONE can do this. Every block is different.

Instructions will include a 8” and a 12” measurement depending on what size quilt you want to make. You can make it color matched throughout but I thought it might be good scrappy. Here goes! P.S. It was published in a magazine and I purchased the pattern.

8” blocks - Make 16 hst’s 2 ½” x 2 ½” 12” blocks Make 16 hst’s 3 ½” x 3 ½”
