Hello Guild Members

A new year is fast approaching for the guild and I would like to thank all of you for your support this last year.

I was unable to complete the full year due to finding a lump in my left breast and having surgery. Free of cancer now. I want to encourage each of you to have a mamogram every year and do a self exam every month. I thought I was getting too old to bother but I was wrong, Take care of yourself.

You have selected a good slate of officers for the coming year and I hope each of you will participate in the guild activities. Looking forward to seeing you at the October meeting. Remember this is our potholder exchange. Can't wait to see the potholder everyone makes.

Pat
