We will have a Round Robin beginning at the January 6, 2022 Meeting

If you wish to participate, you need to begin making your center block or choosing your panel (see suggestions in the minutes on sizes) and bring it to this meeting. Also, if you want a particular color or print for your borders, you need to add that fabric to your bag you bring. Otherwise, the teammates will have free choice to create their border out of material they have.

The following four quilts were donated on Dec. 21 to a local shelter for a family with kids. Ann's mother added two small caps and a women's cap to the donation.

We need your help!

We need volunteers to be in charge of the Feb. Quilt Camp. It is not difficult, but you must open the building at 8:00 am and lock up after the last quilter leaves each evening. (You do not have to stay all day.) You also need to make sure the kitchen is clean every night and the trash has been taken out daily. At the end of the final day, we also need to sweep floors and vacuum carpet. We have many members that chip in and help with these jobs. Gift bags are optional. **We need two people to step forward and help us have another successful Quilt Camp.**

Secretary's Minutes

Spinning Spools Quilt Guild Minutes

Dec. 2, 2021

The Christmas Party meeting was called to order by Pres. Marilyn J. at 6:14 p.m.

Minutes: Judy B made the motion to accept as sent out. Pam made the 2nd to the motion. Motion passed.

Treasurer's Report: There was no report submitted at this time. It will be visited next month.

Program: Linda Lee explained about our **Round Robin blocks**. If you would like to participate in January, bring a block to be the center of your quilt. If you want special fabric used, then put your yardage in your bag with your block.

A block about the size of a placemat makes a nice start for the center, or a 16x16, 20x20 or 24x24 all make beautiful starts. You may use a panel if you prefer.

Jan. 15th Ann Cosgrove will be holding a workshop on borders to help stimulate creativity in the borders that will be added to the Round Robin blocks each month as they are passed along. The workshop will begin at 9 am.

Show n' Tell: Carolyn showed her Peacock quilt that she started at Quilt Camp. It is quite lovely, and she had several offers to take it off her hands. She made it for her sister, so there is no worry that it will not be appreciated and loved by her sister.

Pam made the motion to adjourn at 7:40. Motion passed unanimously.

Minutes have been respectfully submitted by Katherine Fowler.
