President's Letter

Welcome to the new year. We have a lot of fun things planned for this year, starting off with our Round Robins.

Once again, the weather in Oklahoma is crazy, so stay warm (or stay cool), but stay safe!

I'm looking forward to quilt camp in a few weeks. Hope to see you at the meeting at camp.

QUILT CAMP NEWS

The first SSQG Quilt Camp this year will be held **February 18, 19, and 20th, 2022 from 8am to 8pm at the Shawnee Masonic Lodge** on Kickapoo Spur. Cost is \$10 per day. Lisa Hefner, Gretchen Gaskill, and Katherine Fowler have volunteered to be the camp leaders. Lisa reports that "As this new variant has come around again, we will not be planning food to share as we have in the past, except if you want to bring individual snacks. We will be eating out."

Gretchen has volunteered to lead a T-Shirt Quilt Workshop to be held Saturday Feb 19th at 1-3pm.

On Sunday, we will order pizza for everyone to enjoy at lunch time.

Hope all of you can come to enjoy the fellowship and fun that always abounds at camp.

T-Shirt Quilts Workshop

February 19, 2022

By Gretchen Gaskill

Learn how to prepare your t-shirts to make into a quilt.

1-3 pm

Masonic Lodge (at Quilt Camp)

What to bring for the workshop:

- Any shirts you want to make into a quilt
 - Iron
 - Ironing board (if possible)
 - Rotary cutter and mat (or scissors)
 - If you have one, bring a large square ruler (at least 12" square)
- Fusible interfacing will be available to purchase at the workshop, or bring your own if you wish.

Round Robin Begins

The members of Team 1 got up in front of the group in order with their start squares and presented them to the group. Then began the process of passing each one to the next person in line to begin the first round of the quilt. Team 2 got up and presented theirs, then began passing to the next person to begin the process too.

The cold weather kept some members away from the January meeting. If you still want to participate in the round robin, bring your center (in an opaque bag) to the February meeting. Additional groups will be added if needed.

January 15 Workshop

The workshop was a success, even with the weather temperatures at 20 degrees for the day and then the snow. All were warm inside the Pioneer Library room where Ann started out with a handout of instructions of cutting out the different required materials to make the first geese border. She had provided the colors of material needed list in the January Newsletter for all to bring, along with all the sewing tools that were needed to complete these two projects. Then all began to sew the materials together, with Ann going around and helping direct everyone who needed it. As people got their first border done, many commented how it was so easy to make the flying geese patterns. Then lunch was shared as all walked to the Hamburger King and enjoyed the food and company. We came back and began to cut out the second flying geese border as Ann passed out another handout on cutting instructions and colors needs. This particular pattern was a bit more difficult, but once Ann gave some wonderful hints on how to sew them together, we all got this border done as well. We finished up by 3pm and wished each other a safe trip home. Now these borders can be used in our Round Robin quilt borders project.

Below are pictures of most of the workshop participants. Some examples that Ann brought of the first border design are on the next page.

Four quilts were donated to the Seminole women's shelter in January. Thanks to Ann Cosgrove for coordinating this donation.

Secretary's Minutes

Spinning Spools Quilt Guild Minutes

January 6, 2022

Marilyn brought the meeting to order at 7:08 pm.

Minutes: The minutes from December 2021 accepted. Pat made the motion to accept, Lori seconded.

Quilt Camp will be held at the Masonic Lodge Feb 18-20. The cost is \$10 per day. Your dues for 2021-2022 need to be paid at the same time. If you choose to bring a snack or other food items, please make sure they are individually wrapped. Masks are suggested but not mandatory. Make that decision for your own comfort. Lisa and Gretchen have volunteered to lead this camp. This will be their first time to lead a camp so please make sure to give them your support.

Gretchen will have a **T-shirt Quilt Workshop** at Quilt Camp. This is strictly up to the individual if they want to attend.

Treasurers Report: We did not have a report at this time.

Program: Ann Cosgrove is presenting a program at the Library on Saturday Jan. 15th. This workshop will focus on teaching anyone who wishes to attend how to make two new borders using our new rulers provided by the guild.

Charity Quilts: Ann Cosgrove gave a report that one quilt was donated in Seminole. There are three more to be donated soon.

Old Business: We are still requesting ideas of programs you would be interested in attending. Think of things you need to know about piecing.

Web Page: Our new web site is coming along. The Web page is at shawneespinningspoolsquiltguild.com. In the near future we will be selling ads at the bottom of our page for \$25 per year. We are recommending that they supply something like their business card for us to create the ad.

Secretary's Minutes (cont.)

Show and Tell: Pat Woodward brought a beautiful Hexie antique quilt shared. It was repaired and hand quilted by a Church group of ladies out in Wolf OK. (We used to have their contact information in our newsletter. If you want information on them look back about 2 ½ years to find it.)

Benevolence: Gayle Smith lost her mother on Dec. 22nd. Please feel free to send her cards or make a phone call.

The meeting was adjourned at 7:50 and was seconded by Pam.

Respectfully submitted by Katherine Fowler.
